

I am the

WATER GUARDIAN

CAST WATER SAFETY FOUNDATION
CASTING HOPE FOR SAFER SWIMMERS

ON DUTY

IN MEMORY OF LEVI HUGHES

(2015-2018)

www.levislegacy.com

Drowning happens in seconds. Constant supervision is the most effective way to prevent drowning. Designate a "water guardian" at all times when swimming with small children. Continue to wear the tag and supervise children any time they have access to water, even when they are not swimming.
